

10 Great Reasons To Buy A J&H Home!

1. **BuilderTrend** home building software. BuilderTrend allows the home owner access from home or your mobile device so you can see the progress of your home with updated pictures and schedules.
2. A true commitment to **Quality Control**. We take quality seriously and have designed a comprehensive system to ensure quality is **PRIORITY #1**.
3. **Experience** - We have been building homes since 1969!
4. **Custom Design** - Choose from one of our bungalows or 2 storey plans OR we will custom design a home JUST FOR YOU!
5. **Discounts On Building Materials** for projects after we deliver your home such as shops, garages, basement development, decks, landscaping and more!
6. A great selection of **In-Stock And Special Order Products** for your custom home.
7. An in-house **Interior Designer** to assist you with **your** selections of colours, styles and accessories for your flooring, paint, light fixtures and everything for your kitchen and bath.
8. **Outstanding Warranty!** J&H has a **PLATINUM** rating with New Home Warranty. This is the highest rating that can be achieved by a home builder.
9. **Upgraded Interior Finishing**. From baseboards, casings and tile, we do not use the least expensive finishing products to reduce costs.
10. **Peace Of Mind**. We are a family business that stands behind what we build and have been doing so for over 45 years!
