The PALO

Your Family Legacy at the Lake

WELCOME to The Palo. If you've ever wished your family had a cottage where generations shared time and memories were passed down, maybe this is the year to start your family's legacy at the lake. This cottage is perfectly set up for the whole family, from the grandparents to the kids.

- A Master Bedroom on the Main offers privacy and accessibility for Grandpa & Grandma.
- The kids can stay up late telling ghost stories in the 2nd-floor bedrooms and even invite extra friends with the additional den space.
- Enjoy some family time in the wide open kitchen/dining/living area with floor to ceiling windows, an island with room for casual dining, and a cozy natural gas fireplace.
